

January DIY:

# Pill Bottle Lantern

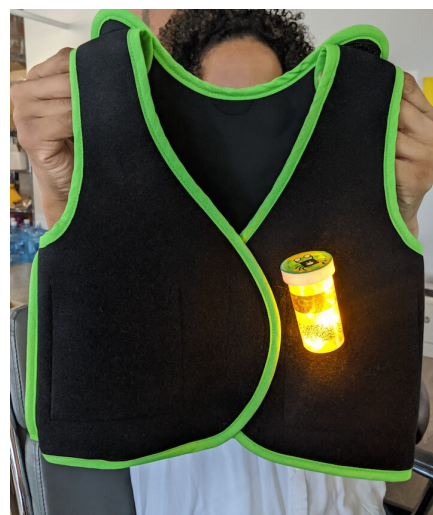

Materials needed:

1. Pill Bottle
2. Fairy Lights
3. Double Sided Tape
4. Options for Decoration: Washi Tape, Stickers, and Googly Eyes!

Directions:

1. Decorate bottle to your heart's desire
2. Put fairy lights into the pill bottle and shut the container
3. Optional: place a piece of double sided tape on top or bottom to secure light switch
4. Don't forget to stick a velcro dot on your pill bottle lantern. You can now wear it on your vest!
